7.1.1 Measures initiated by the institution for the promotion of gender equity During the year

1. Institution shows gender sensitivity in providing facilities such as:
- Safety and Security.
  - Counselling.
  - Common Room.

Response:

- a. **Safety and Security:** Karmaveer Mamasahab Jagdale Mahavidyalaya Washi is known for its safety and secure campus not only for girls even for boys as well as faculty in the context of today's social conditions. That's why girl students prefer our college for higher education. This resulted in more admissions of girls compared to boys due to the availability of well structured & secure Girl's Hostel. Through **Jijau - Ramai - Savitri Womens Strngth Development Association** of our institute the needy students are helped in the form of scholarship, free hostel, free mess etc. We have taken initiative by instructing to all faculties to complete the theory classes and practicals before 6.00 pm so that students, particularly girls should reach to their respective places in time. Whenever the schedule of practical and theory classes extends due to some functions or of any other reasons, college informs the parents well in time.

Facilities available to students in campus regarding Safety & security :

- Girls's Hostel
  - Health Centre.
  - 13 CCTV.
  - Security guards.
  - Display of all the Rules about code of conducts as per UGC & University Norms.
  - Separate staircase.
  - Compulsory uniform.
  - Ramp for Physically handicapped Students.
- b. **Counselling:** The college has aware to the students by counselling through the sexual harassment committee, Grievance Redressal Committee etc. by organising the various awareness programmes like self Defens, Guest lectures of eminent persons etc. Also the Savitribai Phule Yuvati Munch active in our college.
- c. **Common room:** Girl's Common room is available. Also Ladies Faculties Common Room is available for Ladies Faculties.

conducted for women in the adopted village. The seminar focused to elevate the general knowledge of women in the society about their hereditary rights. Women's right to property has been recognized as an important development issue. Property rights for women can have an impact on decision making, income pooling, acquisition and women's overall role and position in the community. By acquiring the knowledge on the hereditary rights for women, their lifestyle can be changed and thus moving a step towards gender equality.
