15.Multidisciplinary / interdisciplinary

Karmaveer Mamasahab Jagdale Mahavidyalaya established in 1972. Gradually with BA ,B. Com, B.Sc., BCA, BCS and M.A. programs were started so as to avail multidisciplinary higher education to deserving students. All UG and PG programs have university curriculum. As the institute is affiliated to Dr. Babasaheb Ambedkar Marathwada University Aurangabad, we strictly follow its curriculum and academic calendar. BA, B.Sc. BCS M.A. have elective mechanism while B.com and BCA Have CBCS mechanism. At university level humanities, social science, commerce, science arts and fine arts are individual faculties. At college level we provide Certificate courses to the students who are learning a new course at entry level of UG programs. For elective programs students have freedom to opt the subjects of their choice.

Students can undertake BA or B. Com offer studying XII science in that case they are admitted to bridge course. Students of TYBA have a paper for Project work. Every year national and international conferences' are organized in which students and teachers read their research papers. Students and teacher of all disciplines take interest in Interdisciplinary research. Finding of the research are communicated of board of studies.

16.Academic bank of credits (ABC):

Being an affiliated college, we strictly follow university curriculum and examination patterns. Faculty of college is involved in paper setting, invigilation and assessment work. For certificate courses and Value added courses we have our own board of studies at college level where faculty design the curriculum and question papers. In the coming days, as a part of preparedness for NEP, the institute has an experienced staff for Academic Bank of Credits (ABC).

17.Skill development:

Along with the traditional education offered by university, the institute offers skill courses to enable students to seek employment after graduation. As on today we have some diploma courses provide to student. These diploma courses go parallel to degree program at UG level. Almost all students get employment in one or other firm. some get government jobs but majority of the students go either in private sector or start their own entrepreneurs. The institutional policy makes it mandatory for all UG students to undertake at least one skill courses so as to maintain employability and interdisciplinary approach. Commerce Student got tally Knowledge and C language. Students doing Accounting & taxation get jobs in banks, credit society, entrepreneurs and Companies, some of them get the work done on target basis. Students doing ICT and web designing get jobs in software companies. Students doing organic farming guides farmers in locality and help their friends and relatives. Diploma courses and certificate courses go parallel with university programs. To aware students about professional ethics, human values and mannerism value added courses are conducted department wise. All departments have liberty to design the curriculum and time table of the concerned value added course.

18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)

The institute has a strategy to integrate Indian knowledge system, Indian languages and culture. Student council is formed

every year composing class representatives. Teachers are appointed on student's council as in charge professors for every academic year they chalk out the annual academic programs to conclude with university calendar. Student's council celebrates all cultural programs, events, ceremonies days and festivals. Marathi, Hindi and English departments celebrate the days accordingly. Marathi day on 27th February, Hindi day on 14th September every year. Every year we organize state level elocution competitions in Marathi for intercollegiate students. Current affairs are discussed every year, state level intercollegiate poetry recitation competitions organized every year also focus on socio-cultural issues. Marathi, Hindi and English languages are taught in the same language. The curriculum contains grammar of the language and literature of the era. Commerce, Computer application and science subject are taught in English medium whereas social sciences are taught in Marathi. For sake of understanding bilingual method is used. Language laboratory helps to learn Standard English pronunciations and into nation patterns. Audio usual aids with language laboratory are also used for Marathi and Hindi. Tribal languages are found in same historical monuments and documents. Indian arts, traditions and culture are taught in history subject outcome base. Teachers are provided with IT infrastructure and ICT enabled classrooms for effective curriculum delivery which also focus on outcome-based education.

19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):

The institute looks for the outcome of education through alumni association. Alumni of the college are working in various fields. In alumni meet they forward their feedback which is taken into consideration by the institute. Course curriculum is designed by the university. Updates in curriculum for outcome based education is forwarded to university through BoS member. Placement of students through campus selection also underlines the outcome based education. Alumni meet and parent meet organized annually discuss about outcome based education. Curriculum is not designed by institute but the demand of alumni and parents is fulfilled through diploma courses and certificate courses. students makes demands of a particular content which is made general in certificate course. science laboratories, computer lab and language laboratory insist on outcome based teaching field visit and project work help student develop an outlook.

20.Distance education/online education:

2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

The Principal addresses the newly entered first year students before teaching begins and briefs them about the policies, rules and regulations of the college regarding teaching, learning and examination process. They are also informed about keeping discipline, behaviour and other norms of the college. The college has examination committee for the smooth working of the examination system. Apart from that, for assessing the knowledge of the students the unit tests, seminars, group discussion, quiz competitions are conducted and the assessment of these activities is done impartially. For the transparency in the examination, teachers are suggested to follow the code of conduct while maintaining the transparency in the internal assessment of the students. The results are also declared and marks are displayed on notice boards of various departments. The results are discussed during lectures to satisfy the queries and grievances of the student, if any. This process helps the students to understand their mistakes and correct them.

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time- bound and efficient

College has a transparent, time-bound and efficient mechanism to deal with examination related grievances. The grievances are received and immediately redressed by the Examination Committee. The examination committee receives grievances before, during and after the examination. The committee also receives the grievances during the examination related to the discrepancies in the handed over to university authorities for further action. In order to curb such malpractices, college internal squad is formed that maintains transparency and standards of examination procedure. The grievances related to results are also redressed by the college committee efficiently by sending the necessary documents to the university authorities. The above grievances are redressed in the shortest possible time. Questions asked in the question papers.

The committee sends the report to the university and brings it to their notice. The university, accordingly, takes the immediate action on the issue. If students are involved in malpractice such as copy case, strict action is taken against such students. Such cases are formally handed over to university authorities for further action. In order to curb such malpractices, college internal squad is formed that maintains transparency and standards of examination procedure. Similarly, as the assessment of the first year answer books is done in the CAP centre, the college provides the photocopies of assessed answer books if students demand it. Besides, the grievances related to results are also redressed by the college committee efficiently by sending the necessary documents to the university authorities. The above grievances are redressed in the shortest possible time.

4.2 - Library as a Learning Resource

4.2.1 - Library is automated using Integrated Library Management System (ILMS)

The college library has Integrated Library Management System (ILMS) since July 2017; the library has installed Integrated Library Management Software (ILMS) library software developed by e-granthalaya3.0, National Informatics Centre, New Delhi. This software is web-based software and is updating regularly. Using this integrated management software, all the functions of the library are managed using e-Granthalaya3.0 software. The library is fully automated and the basic functions of library management software are inventoried purchasing, Sorting, OPAC, Circulation, Book Bank, Planning and Reporting. All library work is using e-granthalaya3.0 software. In addition to the above functions, the software is also using to create member IDs and Barcodes required for digitization of the library. All books are bar-coded so that it can be immediately identify in the report section. We can generate near about 15 types of reports consisting of member reports, circulation reports, available and issued books list etc. In the membership report, we have a membership list, as per year, class wise. The cataloguing is also doing with the help of e Granthaya3.0, Book-Bank facility and circulation books are an essential function of it. Thus, using this integrated Library Management Software, Library is fully automated and functioning well.

Apart from this, the library provides the reading resources to students and teachers through INFLIBNET N-list membership by providing remote e-access. Network Resource Centre is freely available to all the students.

5.3.2 - Institution facilitates students' representation and engagement in various administrative, co-curricular and extracurricular activities (student council/ students representation on various bodies as per established processes and norms)

In order to ensure representation of the students in the decision-making process of various academic and administrative bodies, the institute has included students' representation in the committees like College Development Committee, IQAC, Anti-Ragging Committee, Anti-Sexual Harassment Committee, Grievance Redressal Cell,

Cultural Committee etc. Apart from that, the college forms a Student Council as per the Maharashtra Public Universities Act 2016 that reflects the decentralized administration of our institute. It plays a key role in the college management. It

offers all-encompassing representative structure that deals with the issues and concerns of our students. The Council has been striving for the benefit of our students. It plays a vital role of a mediator between the college administration and the students of the college. The Students Council representatives along with the students actively participate in programs like Swachh Bharat Abhiyan, Road safety Abhiyan, Tree Plantation, Voters Awareness Rally, Blood Donation camps etc . It has enhanced the

communication between the students and other stakeholders of the

college. It has increased the academic atmosphere which leads to the overall development of our students. The committees formed for academic and administrative works show the representation of the students. The college organises co-curricular and extracurricular activities. The participation of the students makes all the events successful. All the departments also form the associations related to their respective subjects. The office bearers of these associations are only students. Throughout the years various programmes are organized by these associations.

5.4 - Alumni Engagement

5.4.1 - There is a registered Alumni Association that contributes significantly to the development of the institution through financial and/or other support services

Alumni are one of the most important stakeholders of the institution. Their association with the college helps in different

ways. In order to involve alumni in the development of the college, the college has formed Alumni Association in 2020 under Societies Registration Act 1860. It is functional. It has been contributing significantly to the development of the college through financial and non-financial means. A good number of alumni have been giving their services in public and private sectors in different parts of India. However, they have not detached themselves from the college. They are intimately connected with it and interact with the faculties. They attend the Alumni meets organized by the college and actively participate in deliberations regarding future progress of our institution. They also give their objective feedback on the performance of the college. Our Alumni association always supports all our academic and administrative activities. Besides, they participate in different extension activities such as tree plantation, blood donation camps, NSS Camps, to provide training to NCC students etc. Members of our alumni association who are working in cooperative banks and credit societies help our students to open their saving accounts and help our staff regarding banking services. Some of our alumni who have cleared competitive examinations and hold supreme administrative posts motivate our students through their talk organized by competitive examination cell.

GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

The Vision and Mission are mentioned in the prospectus of the college. They are also displayed on the website of the college and at the college entrance. The governance of the institution has been reflective of an effective leadership in tune with vision and mission statement of our institution. The college is governed by shri Shivaji shikshan prasarak mandal Barshi The college is also administered with decentralized and democratic decision making processes. Since the institute is located in rural region of the Osmanabad District of Maharashtra, it aims at spreading education among the economically depressed classes. It also makes special efforts to make overall development of the area through research and extension activities. In order to realize this aim, the institute has been making efforts through purposeful curricular, co-curricular and extracurricular activities that bring in the desired change in our students. The college offers wide range of programmes along with the certificate courses for our students. The IQAC prepares perspective plan with respect to academic, administrative and extension activities in tune with the vision and mission statement. After reflecting on the feedback of stakeholders, it ensures that all the significant decisions in the development of the institution are made democratically with the active involvement of the teachers. In order to bring transparency and decentralization in the institute, the college has more than 25 different committees which function separately.

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

The college has a decentralized administration, provides complete transparency in the decision-making process. IQAC conducts regular meetings with all the staff members and discuss the activities of the department. IQAC forms various statutory and auxiliary committees that function separately. Each committee comprises a chairman and members. These committees make administrative and academic decisions after discussing the issues in hand. The resolutions passed in different bodies are written and decisions are taken accordingly.

Academic Work: The college has the culture of collective

responsibility amongst its faculty members and the departments. The college delegates authority and provides operational autonomy at various levels. Under the supervision of Principal, Coordinator, IQAC and Heads of the Departments and Committee Chairmen are

empowered. Each department is given freedom to prepare its academic calendar and schedule of activities, timetable, designing and assigning of student projects/tests/home assignments/seminars, to conduct workshop/guest lectures on

areas decided by the departments. The responsibility of office administration and monitoring are handled by the Head Clerk under the authority of the principal.

6.4 - Financial Management and Resource Mobilization

6.4.1 - Institution conducts internal and external financial audits regularly Enumerate the various internal and external financial audits carried out during the year with the mechanism for settling audit objections within a maximum of 200 words

Institution conducts internal and external financial audits regularly. The college has three tier audit mechanism in which the management of the institute, Joint Director Office and Auditor General, Govt. of Maharashtra carry out financial audits. The external audit takes place after financial year. The college has deputed an agency of internal auditors to audit the documents of

the college. The internal auditor submits his report to the College. The external auditors also submit the audit report to the College. Both audit reports are evaluated and compliance reports are sought if any, from the accounts section. The Joint Director, Higher Education, Aurangabad, and the Senior Auditor conduct the audit of the college regularly as per the rules and regulation of the state Government of Maharashtra and submits the report. The

final audit is done by the AG of Maharashtra. It is done after every ten years. The last external audit by the College nominated CA was conducted of the financial year 2010-11. The objections raised in the audit reports are firstly discussed with College Development Committee. The committee gives suggestions to settle the objections. The objections which are easy to settle at college level are initially settled as per the rules of Sanstha and Government audit rules. Remaining objections are settled as per the guidelines of shri Shivaji shikshan prasarak mandal Barshi

6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

The IQAC has contributed significantly for institutionalizing the quality assurance strategies and processes. The IQAC is actively functional in the planning and initiation of the several strategies and processes in the college after the Third cycle of the NAAC. Two of the best practices initiated by the IQAC for institutionalizing the quality assurance strategies and processes:

1. Internal Audits of all Departments: IQAC has designed Internal Audit format about Teaching, Learning, Evaluation and Other Academic Activities. IQAC designed the committee comprising IQAC Members and conducted the audit of all departments and necessary suggestions are given regarding Teaching, Learning, Evaluation and Other Academic Activities.

2. Organization of Webinars for teachers and Students: IQAC has taken initiative to organize and encourage other departments to organize webinars on different themes for qualitative development of the students and teachers. In 2021-22.

6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

The institution continuously reviews the teaching Learning process, structures and methodologies of operations and learning outcomes are reviewed through IQAC.

The following are two examples of teaching learning reforms facilitated by the IQAC:

1. Use of ICT in Teaching and Learning Process:

IQAC has been encouraging teachers to achieve 'Blended learning' which refers to learning approach that is a mixture of traditional classroom practice and the use of e-learning resources. It recommended the college to purchase the ICT tools, including latest configuration for PCs, and laptops, projectors.

2. Incorporating Experiential Learning Process: IQAC has given more emphasis in teaching-learning process through introducing an experiential learning for the students. It encouraged our faculty to promote and include this methodology in

their teaching. As a result, in order to impart experiential learning our various departments organize different activities such as: Demonstration in practical's, Use of models/ kits, ICT enabled teaching, Study tours, Field visits, Language lab

training, Survey, Evidence Based Learning, Laboratory Work, Seminars, Presentations, Debate, Group Discussions, Quiz, Tests, Assignments, Solving numerical problems, Online / Offline Quizzes, Oral Question answering etc.
